Fundraising Opportunities

Want to win awesome prizes and help our school? This year, we are providing you with an exciting opportunity to participate in three different fundraisers. To help make it easier for you to win, we have accumulated all of the prize trips. In other words, you can raise a little (or a lot) in each fundraiser to reach your desired prize. Our annual jog-a-thon on October 5 will kick off this fundraising year before we tackle our discount card campaign and reach our final goal in the ever-competitive candy sale. Our desire is to make the entire fundraising process easier for our families, and we hope to see you get involved. If you have not turned in your mailers or sponsors for the jog-a-thon, you still have time!

Through the funds raised this year we are wanting to get our parking lot resurfaced as well as expanding our playground equipment.

Throughout the year we will be collecting Box Tops which can be found on many grocery products that your family uses. For every 100 Box Tops turned in, a student will earn a free hot lunch ticket to be used on the day of his choice!

- All Box Tops should be properly cut and checked for a valid expiration date.
- Place 100 Box Tops in an envelope labeled with the student's name and teacher's name.
- Turn the envelope in to the teacher, and the teacher will hold a lunch ticket until the desired day.
- The classes with the most box tops turned in before the 1st semester and 2nd semester deadlines of 11/1 and 3/1 will win an ice cream party for their class!!

We strongly encourage all of our juniors and seniors to take their ACT tests if they have not already done so. Students who perform well on the ACT have an abundance of scholarships and college opportunities available to them. In recent years, LBA has had several students score in the high 20's on their ACT. Test dates for the ACT are listed below and the registration deadline is usually one month out. You can go online to act.org for more information as well as practice tests.

Senior Spotlight

Makayla Sanchez

Makayla has attended LBA since K-5. She has been very actively involved in band, volleyball, and our annual Christmas plays.

"One of the things I love about LBA is that its size allows for one on one relationships between students and teachers that may not be possible in a much larger school."

Her favorite passage of Scripture is found in the beginning of Psalm 46:10, where the psalmist writes: "Be still, and know that I am God." After graduation, Makayla plans to continue her education by studying law and performing arts.

Staff Spotlight

Linda Crowder

We are so excited to have Miss Linda Crowder join us this year at LBA as one of our K-5 teachers. She has grown to love the Christ-honoring, loving atmosphere here in our school.

"I believe Christian education is important because it focuses on developing a student's relationship with God while also providing an excellent education."

Her favorite Bible verses are Psalm 91:1-2. "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: my God; in Him will I trust."
