Opening Day 2018

On August 13th, 2018, Lighthouse Baptist Academy opened its doors for the 17th year of Christian education. We count it a privilege to have a part in your child's life. As a school, it is our desire to partner with the parents to help each student reach their potential for Christ. Over the past 17 years we have grown from a small school with 13 students to a fully-accredited institution nearing 300 in enrollment. We are excited to announce that we were able to begin the 2018-2019 school with the highest opening enrollment in our school's history.

At LBA we offer more than just a quality academic education for your child. We offer avenues for your student to learn an instrument and compete in sports. We want to encourage you to jump in and get involved in private lessons, the band program, and our sports program. Learning an instrument and playing a sport have both been proven to help a child socially and academically. If you would like to sign up for lessons, stop by the school office today. Spots for piano, violin, voice, and band are all filling up quickly. The sports season is underway, and we look forward to expanding our athletic program through a larger variety of sports for more ages.

As you can see, we have a lot happening here at Lighthouse. What the Lord has allowed us to accomplish and what we plan to do in the coming year is not possible without the support of dedicated parents and families. Thank you again for entrusting your student in our care. We look forward to working together for a great school year!

🚶 Jog-A-Thon In Color 🚶

It's time for our Fall 2018 fundraiser, the Jog-a-thon! During our "Jog-a-thon In Color", our students will be splattered with safe, colorful powder around every lap! This year's Jog-a-thon will be on Friday, October 5, at the TAA ballfield here in Theodore. All participating K3-12th grade students get to be involved in this fundraiser by helping us send mailers to extended family members, friends, and acquaintances. Contact the school office for more information.

🎵 Music Lessons 🎵

The Lord has blessed LBA with an amazing teaching staff both in the classroom, as well as outside the traditional classroom. One of the strengths of our school is the music program and the lessons offered through our school. Your student can take private lessons in ANY band instrument, piano, violin, viola, and voice without leaving the school campus. All lessons are 30 minutes per lesson, once a week. Space is limited, so please sign up today!

🏠 Upgrades & Improvements 🏠

We are wanting to re-seal the parking lot as well as add more directional signage and a crosswalk. Please pray that the funds can be raised for this through our Jog-a-thon fundraiser. We are also wanting to upgrade our playground equipment. As our school has grown we have outgrown the current equipment and we need to expand! The funds for this will be raised throughout our fundraisers for the year.

Senior Spotlight

Aaron Hussar

Aaron has been attending LBA since K-5. He has been a very active participant in football, basketball, band, and choir. His favorite school memories are the many basketball trips he has been on.

"I love how the Bible is applied in each subject. I enjoy the dialogue between the teachers and students as it helps me to learn."

After graduation, Aaron plans to attend Bible college to continue his education. While there, his studies will focus on Youth Ministries.

Staff Spotlight

Selah Williamson

We are excited to add Mrs. Selah Williamson to our teaching staff for the 2018-2019 school year. Mrs. Williamson will be teaching all of our English courses in the 7th-12th grades. She is a graduate of Mississippi State University with an undergrad in education and psychology and a master's degree in English education.

Before joining the staff at LBA, she spent the last couple of years teaching English as an adjunct professor at Meridian Community College and the University of West Alabama.

Mrs. Williamson recently married the love of her life, Colton Williamson.
