"Thank You!"

- A Note from Bro. Caleb Lawhorn

Caleb Lawhorn is the elementary PE teacher as well as Lighthouse Baptist Church's children's pastor. He and his wife Kirsten have both been team members of Lighthouse for the past few months.

That's a phrase that's not said enough in today's world. Have you ever longed to hear those words after a good deed, a job well done, or a gift given? Even when you don't want to be reimbursed for something, the phrase "thank you" can make you feel appreciated and useful. When is the last time you thanked God for the good that He has done in your life? Have you ever tried to think of all the good things God has done for you? Psalm 107:1 says, "O give thanks unto the Lord, for he is good: for his mercy endureth forever." David reminds us in one out of every six Psalms that we are to give thanks. Oh, how we should give thanks! David wrote most of his thanks towards God while he was running for his life! You could say that David had his priorities straight. Even when David had no home, no bed, no food, and no safety, he could thank God because God protected and provided for him. Wherever you are today, take time to say "thank you" to God because He is the reason life is worth living!
