### Finding the Joy in Our Job

- A Note from Bro. Dave Dawson

*Dave Dawson has been on staff for 2 years. He is an Assistant Pastor at Lighthouse Baptist Church and a basketball coach for Lighthouse Baptist Academy. Dave is married to Brooke Dawson, who teaches English to our high school students. They have four children - Mackenzie, Nataley, Lucas, and Mollie.*

Wow! What an amazing month December was! Whether you were attending Christmas programs, music recitals, basketball games, or any other activities that were going on last month, I am sure that it made you appreciate all the hard work that is poured into our children here at Lighthouse. It is my joy and privilege each day to walk the halls of our school and interact with each student. I love all the personalities that our students bring to our school. One of the highlights of my day is when I am working in the gym and a group of K4 students inquisitively asks what I'm doing. I also love interacting with our high school students in the hallways or in between classes. There are so many incredibly talented young people in our school, and I am looking forward to seeing how God will use each one of them.

Our Ambassador basketball teams are off to a great start this year. Being able to coach these young men is such a joy and blessing to my soul. If you have not had a chance to watch any of our games, you don't know what you are missing, and the food in our concession stand is amazing!!! We are so thankful for all the hard work that the Lawlers do to make sure our food is always top notch. If you can't catch a game in person, tune in on the radio. Bro. Noah Britt spends many hours a week traveling from game to game to broadcast our sports. So much hard work goes into every game, and I am so thankful for all of those who faithfully donate their time to help make our Ambassador sports program a huge success. It's always a great day to be an Ambassador! - **Coach Dave Dawson**
